

# PERSEVERE

**A life filled with excitement. A future filled with hope. A tragic accident.**

Renée Bondi had a beautiful singing voice, a thriving career as a music teacher, and a loving family. But then one night a bizarre accident shattered her spine and left her quadriplegic. Her life changed forever.

Renée lost not only all use of her hands and legs, but also her singing voice — she could barely speak above a whisper. Unwilling to accept that her life was over, Renée searched her heart and sought the Lord for direction.

Against all odds and all physicians prognosis, Renée’s voice was miraculously restored with a crystal clear, angelic sound.

Whether performing a powerful concert or sharing her profound and victorious story, those who hear Renée are uplifted by her music and messages. Most importantly, all who hear Renée are encouraged to pursue a personal relationship with Jesus Christ.
