

WHEN GOD SEEMS SILENT TRUST HIM

The one person I wanted to listen to, never seemed to speak to me...

Looking back, Emily Logan can see how different people spoke the word of God into her life. But at the time, it seemed like God was silent. There is something in her story to which each one of us can relate, whether it's the struggle to know God's will, feelings of worthlessness, or the loneliness that comes when it seems like you are the only person in the world facing your unique challenges. She reiterates the promise that God will not give us more than we can handle with His help, even though at times our burdens seem overwhelming.
