

Matthew 14: 22 - 32

MY LIFE GUARD + WALKS ON WATER

Dr. Patrice Winkel is a wife, mother, teacher, and SURVIVOR. She has journeyed through thyroid cancer, three “freak” car accidents, a traumatic brain injury, a branchial cleft cyst, and most recently a rogue wave that tried to extinguish her life in the Pacific Ocean.

How has her faith been effected? She claims it has been strengthened.

You are invited to hear her story, and let your faith be strengthened as well.
