**"The Glory of God is the Human Person Fully Alive"**  
*St. Irenaeus*

If we're honest, we all want a good life. But, if we're honest, we tend to have our own ideas and plans of what that will look like. God also wants us to have a good life, and often He asks us to let go of lesser things to allow Him to give us something greater. Join us at <https://vimeo.com/event/681515> to hear how the Lord has worked in Zach Gignac's heart, teaching him to carry everything in life with open hands while learning to step out in radical trust.
